Celebrating all Military Service Personnel !

Summitt Elementary would like to honor all Summitt Military families on our campus.

For Veteran's Day, November 11, 2021 the morning assembly will honor military members on our Campus Zoom at 7:50am.

Whether you are still active in the Military or a Veteran, please join us in the library with your student, to lead the Pledge of Allegiance.

You may attend in your service uniform, fatigues, or just a t-shirt that depicts your branch of service.

Helping our students understand the importance of our military members and their sacrifice up close, keeps them presently connected to our community and our nation.
